# STI Student Information System
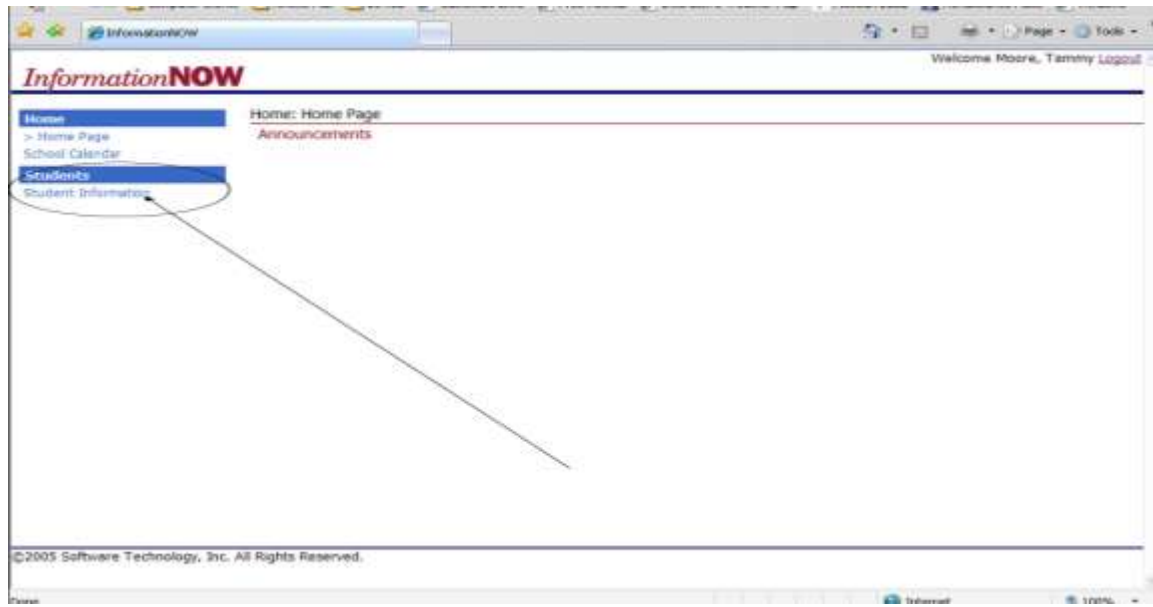

The Laquey New Student Records Program

Parents and Teacher Login Page

Directions on how to log in to your student's information.

Put in your user name then put in your password. The first time you login you will be prompt to change your password. Your password will need to be at least 8 characters long with a combination of letters and numbers. After being prompt to change password you will put in the password that is on your login paper and then hit the TAB button on your keyboard and type in your new password and hit TAB again and retype your password and click on LOGIN. After logging in on the left side you will see STUDENT INFORMATION, click on it and you should see all of the students that are associated to your address.

If any information is incorrect please notify the school and report the information that is incorrect so it can be updated.
