

# KAYLA PLUTSCHACK

OTD, OTR/L

*Hello.*

I have had the opportunity to practice in a variety of settings all over the world in person as a travel occupational therapist and then again doing teletherapy since 2017. I am extremely passionate about providing services to children in need and love the field of occupational therapy.

*A little more about me.*

I am the mom to two beautiful little girls, McKenna and Mia. My husband, Dave, is also an occupational therapist who is a professor at a local university here in Iowa. We love to travel, camp, and cheer for the Green Bay Packers on our down time.

*Fun fact.*

My husband and I have been to 19 countries together!
